

1. 1 x Pioneer DJM 2000 Nexus

2. 3 x Pioneer CDJ 3000

3. Enough space for :

- One X1 controller on the left or right side between the CDJ and Mixer

- 1 macbook laptop on the left or right side

4. The Promoter must provide a solid base / table for the equipment of at least 1 meter in height. This surface must be such to prevent the equipment from jumping or slipping.

5. No Live recordings are allowed without the consent of the Dj or the management.

6. The Promoter shall allow Sound Checks if requested prior to the event.

7. The Mixer and CDJ players should be in good technical condition otherwise the DJ has the right to not perform under such conditions.
