

## **MHA IRI IS A UK BASED PRODUCER**

Her production style is melodic yet driving with tough basslines and kick drums paired with dark synths and her own ethereal vocals to give a unique sound that is as captivating as it is dance worthy. Her strong musical style and powerful connection with her audience have allowed her to quickly carve out a name for herself the underground music scene.

Mha iri has played at a myriad of established underground venues in Australia and Internationally.

Mha iri's tracks have received support from artists such as Umek, Alex Stein, Layton Giordani, Deborah De Luca, Luigi Madonna, Coyu, Joseph Capriati and many others.

Mha iri's festival schedule:

2017 – Earthcore, Beyond The Valley

2018 – Esoteric, Pitch, The Pleasure Garden, Babylon Festival

2019 – Rainbow Serpent Festival, Where The Wild Things Are, Babylon Festival, New Dawn, Axe Festival (New Caledonia), Filth On Acid (Amsterdam)

2020 – We Are Electronic (New Caledonia), Rainbow Serpent Festival, Babylon Festival
